**April Mission Focus: Jon and Amanda Good
Global Servants for International Ministries**

For several years, Jon and Amanda Good have worked in Hungary for Christ in evangelism, church planting, leadership training, and much more. We are blessed to be a partner church in their ministry. Several people in the church have also chosen to become individual financial partners in the Good's ministry.

Jon and Amanda will follow Jesus' calling to a new ministry location toward the end of this summer. It appears that this will be in a multi-cultural community in Italy. They will continue ministries of evangelism, discipleship, church planting, and theological education.

Jon and Amanda are thankful for Bethany's partnership in the gospel and joy in seeing the Lord at work in and through them. They ask us to pray for the work in Debrecen and for their new work in Italy.

Our prayers and financial support are a vital part of their ministry. Please prayerfully consider partnering in this ministry using the offering envelopes in each week's bulletin or selecting "The Goods International Ministry" in easyTithe.

Bethany Book Club

Our May book is *The Great Alone*, by Kristin Hannah. Recommended by Sandy Lewis, this is a story of how a Vietnam veteran takes his wife & family to live in the Alaskan wilderness. The family is desperate to seek a new beginning, only to find that their unpredictable environment is less threatening than the erratic behavior found in human nature caused by the effects of war on mental stability.

Join us Friday, May 17, at 10 am in Fellowship Hall for a light breakfast and discussion.
