BETHANY EMERGENCY-MEDICINE(S) REMINDER

Bethany has a Medical Emergency and Security Team trained in basic first aid and CPR. Please do not hesitate to 'raise your hand or call out' to alert us to someone needing medical assistance.

If you, a family member, or especially any of your children, are pre-scribed emergency medicines (*Epi-Pen, Inhaler, Nitroglycerin, etc.*), we strongly encourage that they have those medicines with them at all times. Our Team may assist with administration of these medicines; however, we do not have those in our emergency medical supply kits.

Contact Don Hinkson or Denny Henderson with questions or concerns.

MEDICAL EMERGENCY AND SECURITY TEAM MEETING—3/30/25

Our monthly Medical Emergency and Security Team meeting is next Sunday in Fellowship Hall immediately after worship. Pastor Dave will present. There is a lot of important overlap between the medical and safety/security portions of our team; please do everything you can to attend even if you do not serve as security.

MARCH MISSION FOCUS—DRAW (DISASTER RELIEF AT WORK)

DISASTER RELIEF AT WORK
 DRAW, located right here in Waterford, responds to floods, hurricanes, and tornadoes by providing supplies and volunteer services to help disaster victims

take their first steps back toward normalcy.

DRAW has the unique ability to get exactly what is needed into the hands of those who need it as quickly as possible. Over time, DRAW has honed its supply list to have the exact resources needed in the immediate aftermath of a storm. They assemble supplies into buckets tailored for each disaster, whether a tornado, flood, hurricane, or wildfire. Operations can get the needed supplies to the community hit by storms within 24-48 hours of the disaster.

DRAW needs your help to replenish their bucket supplies after their most recent response to the historic tornado outbreak across the eastern half of the U.S., which took the lives of dozens of people and left tens of thousands of others dealing with a major journey to recovery in multiple cities in Missouri, Mississippi, and Alabama.

Their top 5 greatest warehouse needs are currently:

- Quart size resealable bags
- Gallon size resealable bags
- 30-33 gallon standard trash bags
- 42+ gallon contractor bags
- Insect repellent

Other ways to help:

- Monetary donation using DRAW envelopes in the bulletins.
- Volunteer at the warehouse on any Wednesday.
- You can always find a list of needed supplies at drawbuckets.org; click "shop" at the bottom of the page."
- Donate and/or purchase books at the Bethany Used Book sale following worship service—today is the last day to shop the sale.
- Join us for a coffee fellowship at the Coffee Bucket on the 3rd Wednesday of every month @ 9 am.
