Bethany Book Club—May

Remarkably Bright Creatures, by Shelby VanPelt, tells of an unsolved mystery and a very bright octopus. It is a heartfelt story of intertwined lives coming together in a small town and a reminder that sometimes taking a hard look at the past can help uncover a future that once felt impossible.

Join us Friday, May 16, for a light breakfast and fun discussion.

May Mission Focus—One Great Hour of Sharing

One Great HOUR OF SHARING

Every year, Bethany participates in the One Great Hour of Sharing (OGHS) offering. OGHS's purpose is to collect special gifts to assist those in need. The collected gifts are used for emergency relief, disaster rehabilitation, refugee work, and development assistance wherever it is most needed.

The World Relief Committee and its overseas partners are responsible for distributing these gifts where they are most needed. Whether helping those devastated by the LA fires or for humanitarian relief to the victims of the earthquake that caused widespread devastation in central Myanmar, OGHS is there to help. Often, they are among the first on the scene following a disaster. Once there, they identify the needs of the people and set priorities to help, how and where it is needed.

The bottom line is that your gift to OGHS is what funds critical work.

Your gift will make a difference in the lives of others in need.

Please, prayerfully, consider your gift to OGHS.
