May Mission Focus: One Great Hour of Sharing

One Great HOUR OF SHARING One Great Hour of Sharing (OGHS) has been an American Baptist Churches USA offering of love to the world for more than 77 years. Each year, we are invited to give for the sake of our sisters and brothers around the globe.

- Through our collective giving, OGHS makes a tangible difference in countless ways:
- Providing love, compassion, care, and comfort—along with hands to help rebuild after natural disasters
 - Offering shelter, nourishment, and safety in places where war rages and poverty persists
 - Supplying tools and expertise for sustainable agriculture, clean water, and livelihoods
 - Advocating for the dignity of those who are marginalized and most vulnerable

Simply put, OGHS is there when both immediate and long-term help is needed.

We may never personally see the impact of our gifts—but that is the nature of a love offering: giving from the heart, trusting that God uses our generosity to bring hope, light, and love to others.

If you would like to participate in this all-church offering, envelopes will be available throughout May. Gifts given by mail or online should be marked "OGHS."
