OCTOBER MISSION FOCUS: WORLD MISSION OFFERING

Each year, through International Ministries' (IM) World Mission Offering (WMO), Bethany joins thousands of churches and individuals who come together to promote and support ministries that God is using to transform lives around the World.

Our gifts support mission programs for global servants and international partners. Bethany's personalized support for global servants Jon and Amanda Good helps sustain their ministry in Italy, where they are cultivating communities where people can encounter Jesus and grow together as His disciples.

IM does not expect global servants to raise all the funds needed for their ministry. Instead, IM comes alongside them with both financial and ministry support, helping fill the gap when personalized funding falls short. This allows global servants to remain in their countries of service. Currently, 88% of the Goods support has been pledged.

WMO gifts also help provide disaster relief worldwide. Recently, they provided \$15,000 to IM partners in Venezuela and \$10,000 to IM partners in Nepal to assist with food and supplies following an earthquake and flooding.

Your gift to the World Mission Offering helps support Jon and Amanda as they engage in evangelistic outreach, discipleship, strategic renewal, and church planting. It also assists when disaster strikes around the world.

You can help by using the World Mission Offering envelopes in the bulletin or scan this QR code with your phone's camera to give online.
